Smiths Ln Discovery Garden

We have our beautiful garden for your children to explore & let their imagination run wild.

However, we do have a few rules to ensure everyone can enjoy the discovery garden safely.

Rules

- Here at the Dairy we always play nice, sharing our toys with words that are kind
- We care for the garden, 'cause plants are our friends. We're gentle with all their leaves, sticks and stems.
 - We have fun and climb, we always explore! But we don't run too fast, or we'll end up sore.
 - We make sure an adult is near while we play, so we can be safe and have the best day!
